The Harper Philosophy of Life Pertains to the cultivation of body building, which adds a distinguished carriage and bearing to ladies and gentlemen. When Professor Harper's new system of "Condensed" Exercise is acquired, ill health is dropped behind, and chronic ailments are only a bad dream of the past. Professor Harper's system is further advanced simpler, and results are attained much quicker than any known method for building up the body or reduce the flesh weighted to their normal condition. It lifts up the curtain of despair and unfolds to us an existence of health and happiness. The man of 90, the boy of 15, the matron and the maid, when they learn this knowledge receive the blessings of health in all its richness. CALL OR WRITE PROF. C. H. HARPER, 428 W. SIXTH, OPP.
