**Notes**

Some of the following information was given by Roy Hunter the son of Alexander Hunter to Roy's daughter Lillian Hunter/Foutch & son-inlaw Burl James Foutch sometime before Roy passed away November 1, 1987. & some is Census from Lawrence, Mass. & Rushville, Illinois. I have searched Vital Statistics at the court House in Rushville, Illinois. Alexander Hunter was born in Lawrence, Massachusetts-Essex Co. July 14, 1861. His family lived there for several years. When Alexander was 13 Years old his family came to Chappell, Nebraska-Duel Co. They also lived in Juianta, Sidney, Hubbell & Holdrege, Nebraska. Listed on Census June 7 & 8th 1880 Industry Precinct Phelps Co. Nebraska. He met his future wife Ida Baxter there. Her parents were Thomas Jefferson Baxter & Rosalia Ambrosius they were farmers. There family is listed on June 7, 1880 Census Phelps Co. Nebraska. Alexander & Ida were married August 12, 1886 in Holdrege, Neb. Ida's uncle Simon Ambrosius was one of there witnesses. Alexander was 26 years old & Ida was 18 years old. Alex & Ida moved to Chappell, Nebraska where their first two children were born. Cora Mae, Bertha Dell. The next child Ralph, was born in Holdrege, Nebraska. There next move was to Hubbell, Nebraska, Thayer Co. Their next three children were born there; Lydia, Roy, Arthur. They made a big move to South Dakota in a covered wagon. This was their mode of traveling. Their next child Harold was born in Spencer, McCook Co. S. Dakota. Then came Eva Fern born in Canova, Miner Co. S. Dakota. In the Spring March 12, 1912 Alex & his oldest son Ralph went by train from Canova, S. Dakota to Porterville, California. Alex shipped his farming horses by train to Porterville, so he would have a start at farming when they got there. Alexanders sister Rebecca & her husband Byron Allison Shaffer were living in Porterville. On the way-out Alex & Ralph had to lay-over 15 hours in Salt Lake City, Utah. Ida & the children that were home; Eva 6, Harold 9, Arthur 12, & Roy 15, went to Ida's mother's Rosalia Ambrosius/Baxter near Rushville, Illinois. Probably the town of "Industry, Illinois". They visited her family for awhile. Ida & the children continued by train taking about 4 days to complete their trip to Porterville, Calif. Arriving April 13, 1912. In the mean-time Alex had found a place for them to live. Alexander also found a job planting Orange trees for a farmer. He, Ralph 20, Roy 15, Arthur 12 helped plant the grove. This took several weeks. Alexander bought a team of horses & the family migrated by covered wagon up the San Joaquin valley to "Cere's" a small town near Manteca & Stockton, California. Alexander & Ida's youngest child a son William Thomas Hunter named after Alex father was born in Manteca, California May 15, 1917. Roy 15 was left in Porterville, California for a month to take care of the young Orange Trees. They required a lot of irrigation as it is very warm in the valley. Roy bought a motor-cycle & rode up the Valley to join the rest of his family in Manteca. His father had bought 10 acres of land in Manteca where they grew tomatoes, sugar beets, & alfalfa. Before Roy's arrival his father Alex, brothers Ralph & Arthur worked in Ceres & the Area picking "Hops" for extra money. They farmed the 10 acres for about eight or nine years. Alexander Hunter sold the farm in 1920 when William the youngest was about 3 Years old. Alex, Ida his wife & their family went to Janesville, Calif. from there to Auburn, California. They were there a short time & made their last move to Eureka, California in a " Willys Overland Touring Car " they went by way of Ukiah & Willits up the coast to Eureka the year was about 1922. There daughter Lydia & her husband Leo Davenport lived in Eureka. When Ralph was 25 & Roy 21 they went to Montana to home-stead, but they were drafted into the Army in 1917. World War I had started. Ralph was sent to France; Aragon Valley. Roy went to New-Port News, Virginia for training, but the Armistice was signed November 11, 1918, so, he was discharged & never left the states. Alexander bought property in Eureka south of town called " Pine Hill ". He farmed strawberries & sold them for several years. Something else I remember about my Grandfather Alexander; he had cut his foot with & ax when he was young & he wore black high top shoes that curled up on the toes. I always remember him with white hair & a white mustache. My grandmother Ida had long hair that she wore in a bun on top of her head. She let me brush her hair when I was a young teenager. We lived a couple of blocks from them so, every day after school we visited with them. They were very religious people, so when my brothers Ken, Merle & I stayed at night with them when our parents went dancing they would read from the bible & sing to us. We thought it was wonderful. My grandmother Ida made Hook rugs & braided rugs by hand. My grandfather Alex widdled me a wooden crochet hook & grandma taught me to crochet. I have very fond memories of them. They continued to live the rest of their lives in the same house. They are buried in the "Sunset Mem.Cem." FROM HUMBOLDT TIMES

Regarding Daryl Richard Davenport

(D) NOV 22, 1941

November 23, 1941

**DARYL RICHARD DAVENPORT OF EUREKA VICTIM OF SHOTGUN FIRED AS TWO BOYS WERE HUNTING FROM BOAT.**

Daryl Richard Davenport, 14, died almost instantly about noon yesterday wounded by a discharge from the shotgun of a young hunting companion, it was reported by Coroner W. L. Wallace. He was the son of Mr. and Mrs. Leo Davenport, 2120 Tydd Street.

The mishap occurred about noon, as the two boys reached a duck blind where they were to hunt. Davenport was in the boat, and reached forward to pass the gun up to Leo Davenport, not related to the victim, who was first out of the boat. The trigger was apparently jarred, firing the shell. The shot caught the boy between and shoulder and neck, ranging downward through his body.

Leo Davenport said Daryl cried out "I'm shot, help" and then died. The former enlisted the aid of hunters in a nearby blind, and rowed the boat back to shore. Police and Coroner Wallace were summoned to the landing at the foot of X Street.

The two Davenport boys had spent Friday night at the home of Daryl's parents, Mr. and Mrs. Leo Davenport. Together they had gone down to the bay about 7:30, getting out the boat and starting to hunt. They stopped at several places before starting to the blind about noon, as near as could be determined, Coroner Wallace said.

As they pulled the boat into the blind, Leo Davenport stepped out, and Daryl secured the boat. He then started to pass Leo's gun forward, butt first. The gun apparently jarred on the seat of the boat, discharging the shot. Daryl died almost instantly, it was believed. The gun was a .20 gauge single shot with bolt action.

The youth leaves his parents, Mr. and Mrs. Leo Davenport, a sister Mrs. Henry Bishop, four brothers, Wayne, Cledith, Leo, Jr., and Larry Davenport, all of Eureka. A sister was lost several years ago in the redwoods near Bull Creek where the family was picnicking. Her body was not found until over a year later.

Also surviving are his grandparents, Mr. and Mrs. Alexander Hunter of Eureka, seven uncles, Ralph, Roy, Harold and William of Eureka, Frank Davenport of Mont Rose, S.D., and Charles and Silas Davenport of Yakima, Wash., three aunts, Mrs. Walter McCorkell and Mrs. Elmer Shumway of Eureka, and Mrs. Fred Burghardt of Tacoma.

Funeral services will be conducted at 2 o'clock Tuesday afternoon in the Pierce chapel with Dr. Roscoe C. Smith officiating. Interment will be in Sunset Memorial Park.

**FUNERAL ARRANGED FOR VICTIM OF GUN MISHAP**

Funeral services for Daryl Richard Davenport, 14, accidentally shot Saturday afternoon, will be held Tuesday afternoon at 2 o'clock in the Pierce chapel with Dr. Roscoe C. Smith officiating. Burial will be in Sunset Memorial Park.

The youth, son of Mr. and Mrs. Leo Davenport, 2120 Tydd Street, was duck hunting in a boat with Leo Davenport, son of Mr. and Mrs. James Davenport, the two families not related.

The accident occurred after Leo had climbed out of the boat into a blind at the foot of X Street, Coroner W. L. Wallace reported.

Daryl reached forward to hand the gun, butt first, to Leo. Somehow, the coroner said, the trigger was jarred, firing the shell. The shot caught Daryl between the shoulder and neck, ranging downward. He died almost instantly.

Leo enlisted the aid of hunters in a nearby blind and rowed the boat back to shore. Police and Coroner Wallace were called.

Surviving relatives of Daryl include his parents, Mr. and Mrs. Leo Davenport; a sister, Mrs. Henry Bishop; four brothers, Wayne, Cledith, Leo, Jr., and Larry Davenport, all of Eureka; seven uncles, Ralph, Roy,

<sup>K.</sup>  
Harold, and William Hunter of Eureka, <sup>E.</sup> Frank Davenport of Mont Rose, S.D., and Charles and Silas Davenport <sup>W.</sup>  
of Yakima, Wash.; three aunts, Mrs. Walter McCorkell and Mrs. Elmer Shumway of Eureka, and Mrs. Fred
