### Excavation Causes Gas Leak

A minor gas leak yesterday afternoon resulted in the gas being shut off for several hours at an apartment building at 10658 Camarillo St., North Hollywood.

The leak occurred at approximately 3:45 p.m. It was caused by a contractor installing a swimming pool at the apartment.

D.J. Schoonover, construction supervisor for the Southern California Gas Co., said the gas pipe would be relocated around the swimming pool area.

The gas was restored within several hours.

### Excavation AREA SCHOOLS, OFFICES WILL BE CLOSED TUESDAY

City-run offices in Los Angeles, Burbank, San Fernando and Thousand Oaks will be closed Tuesday in observance of Veterans Day, as will offices of Los Angeles and Ventura counties and the state of California.

Federal offices, as well as those of the City of Simi Valley, which celebrated the holiday Oct. 27, will be open.

All area schools will be closed Tuesday and those in the Simi Valley Unified School District will be closed tomorrow as well for a teachers' holiday.

Trash collection will be made in all areas as usual.

The U.S. Postal Service will conduct business as usual, and most banks and savings and loans will be open.

Most other businesses will be open, but shoppers are advised to call ahead before going out.
