SEX OF GOVERNMENT.

Woman has been studied from the standpoints of philosophers and clodhoppers, of chivalrous knights and Hartford Life Assurance Companies, of astute doctors of divinity and sweet young bucks who go to Saratoga during the "season." Could all the various ideas and models thus evolved be brought together and embodied in a "Woman of the Period," fest in her. A French philosophy

makes her a divinity outright, but a

er to a score of young human be-

who declare that it is from above.-Now far be it from this rambling pen to deny divine origin to law and order, only-first, it wonders why government should come down to men alone, and-second, it would be sorry to accuse the Powers above of The Lady's Friend for December being in the "ring," even with all has been received. The illustration Boards of Supervisors. of Caps, Bonnets and Coiffures Nevertheless, as for Dr. Bushnell.

Me." Amanda M. Douglas concludes has heard the thunder in man's voice, her excellent story, "THE PRIZE OF from which we would infer it to be the main province of government as he received it, but unintentionally reveals the well-kept secret of her to furnish an opportunity for man incorrect. The writer says, in sub-Dr. Todd founds his conviction of the masculinity of government on obtained for the use of the house by ducements to new subscribers, and first principles, viz: that woman has the Universalists, a protest, signed one more rib than man, presuming by Presbyterians as well as Baptists, ten cents for a sample copy, to that any being having a superfluous rib can have no natural connection as I was the active agent in finding and guarantee Goods as cheap if not Fruit and everything convenient and with government. Now the only out who gave consent to use the cheaper than any other house. difficulty with these ingenious arguments is, that some have affected to affixed to the protest, I think I am doubt whether the only object of prepared to say that only one of the government is to be an organ of three trustees—James Chapin—was thunder; and some have seriously consulted, who raised no objections, questioned whether woman in reality but referred the committee to Dea- Co. has the excess of one rib. Leaving the latter question to be decided by Baptists, as far as I can learn, whose the learned doctors, it is our purpose consent was sought and obtained .to inquire why government should When the protest was nailed on the be solely devoted to thunder. Why do sapient divines and editors as. Presbyterian brother appended. As sume that war and hanging and po. lice arrests are the sole cares of gov an unanswerable objection to her man, in matters of religious action. persuade us that thunder is typical
